Sir,

Adverting to Government Order No: 6879-904/L.B. 104-16-2 dated 28th April 1917, regarding the revision of the Local Fund Establishments in the District Office, I have the honor to state that the scale of establishment proposed for this District for work in connection with the District Funds appears to be a --- moderate one, with which I am in entire accord. It is almost the same as the scale proposed in my previous letter on this -- Subject, which has been approved by the District Board.

2. With regard to the entertainment of separate establishments for Municipal work, I am of opinion that one clerk on Rs. 25/- may be sanctioned to each of the two Sub Division Officers, the cost thereof being borne by the Municipalities, both town and minor of which they will be the Presidents. As for the Kolar and -- Bowringpet Municipalities of which I am the President, a clerk on Rs. 20/- may be necessary, the cost whereof being borne by these two Municipalities.

3. With reference to the establishment required by the
